

Модель	BOLID BR-102
Общие сведения	
Материал корпуса	Сталь
Габаритные размеры	243×170×138 мм
Диапазон рабочих температур	От -50 °С до +60 °С
Относительная влажность воздуха	От 10 % до 90 %
Допустимая нагрузка	Не более 10 кг
Масса	1,7 кг
Цвет	Белый

Technical drawing of the 1000mm x 1000mm x 100mm stainless steel cabinet. The drawing includes three views: a top view, a side view, and a front view.

Top View: Shows a square footprint with a width of 1300mm and a depth of 800mm. The side view shows a height of 1380mm.

Front View: Shows the cabinet's front panel with a central circular opening. The opening has a diameter of 243mm. The opening is surrounded by concentric circles with diameters of 84.0mm, 48.0mm, 256.0mm, 210.0mm, 264.0mm, 270.0mm, and 235.0mm. The cabinet has 8-M8 mounting holes and 4-M8 mounting holes. The overall dimensions are 1700mm x 1190mm x 900mm.
